

AiIC2024 APPLIED INFORMATICS INTERNATIONAL 2-3 OCTOBER 2024 CONFERENCE 2024 PUTRAJAYA

CALL FOR PAPERS

Leveraging on Artificial Intelligence and Emerging Technologies in Applied Informatics

Universiti Putra Malaysia (UPM) would like to call for papers for APPLIED INFORMATICS INTERNATIONAL CONFERENCE 2024 (AiIC2024), which will be held from 2 to 3 October 2024 as a hybrid conference. We would appreciate it if you could forward this poster to your colleagues and students. We look forward to seeing you at AiIC2024. We hope that AiIC2024 could connect researchers and practitioners from academia as well as the industry to translate applied informatics research into plausible digital solutions.

Topics of Interest

Topics of particular interest for submissions include, but are not limited to the following areas:

- Artificial Intelligence Applications
- Internet of Things (IoT) Applications
- Software Engineering
- Digital Innovation in Information Systems
- Big Data Analytics & Applications
- Knowledge Management
- Software Agents
- Crisis Informatics
- Data-driven Innovations
- Health Informatics
- Community Informatics
- Educational Informatics
- ICT in Agriculture
- ICT in Food Security
- ICT in Healthcare
- ICT in Education
- ICT in Sports

With Knowledge We Serve

Applied Informatics is a multidisciplinary research field that could significantly impact the community and society through information systems and technology advancement. At this time, applied informatics research and technology have become more relevant and significant in leveraging the research updates related to artificial intelligence and other emerging technologies in applied informatics. Therefore, the conference committee has set the theme for AiIC2024 as Leveraging on Artificial Intelligence and Emerging Technologies in Applied Informatics.

Important Dates

- **20 July 2024**
Paper submission deadline
- **31 July 2024**
Acceptance notifications
- **16 August 2024**
Registration deadline
- **23 August 2024**
Camera-ready deadline
- **2-3 October 2024**
Conference date

Accepted papers will be submitted to a Scopus-indexed journal for publication.
*Terms and condition apply
